

# Our Vision

**Altruistic Leadership's** vision is to be an outstanding educational resource for diverse leaders in career management and leadership development.

# Our Mission

We will achieve our Vision by:

- Delivering products and services tailored to select demographics
- Assessing leaders progress through the eyes of those who follow them, and
- Tracking our participants' career progression
- Coaching performance

# Our Values

We will achieve our Mission by:

- Honoring God
- Practicing Effective Stewardship: Use well the talent and abilities gained and entrusted to us for the benefit of our clients and participants
- Demonstrating Excellence: Dedicate our resources to insuring the best program experience is achieved
- Valuing Differences: Maintain a leadership stance that understands and support integration
